Re: Docket No. 04-00431 – Joint Petition of United American Technology, Inc. and PromiseVision Technology, Inc. for Approval of Transfer of Customer Base.

Dear Mr. Marashlian,

During the Tennessee Regulatory Authority (the “Authority” or the “TRA”) conference held on February 28, 2005 the Directors approved the above-referenced petition subject to the following modifications:

- A. Petitioners should inform the affected customers that they will receive a 30-day written notice of any rate increase that may affect their service up to 90 days from the date of the transfer from PromiseVision Technology, Inc. to United American Technology, Inc.; and,
- B. Prior to being mailed to customers, a revised customer notification letter must be filed with the Authority and must be found consistent with the Authority rules.

To this date, Authority Staff believes that the petitioners have not filed the revised customer notification letter that was ordered by the Directors and requests that such revised letter be filed with the Authority no later than July 7, 2005.

If you have any questions or comments, please call Carlos Black at 615-741-2904 ext. 196 or e-mail him at carlos.black@state.tn.us. Provide the response to this request by sending an original and 13 copies to:
